RESIN AND NOVEL PREPEGS :
PRODUCED BY SUCH METHOD :

DECISION

The "Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b)" filed on 20 November 2000 in the above-captioned application is hereby **GRANTED** as follows:

Applicant states that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" as required by 37 CFR 1.137(b)(3). The petition fee, basic national fee, extra claim, fee and one additional independent claim fee have all been paid. No terminal disclaimer is required. Thus, all requirements of 37 CFR 1.137(b) have been satisfied.

Applicant claims in the transmittal letter submitted with the instant petition, that a Declaration and Power of Attorney was included with the documents submitted on 20 November 2000. However, this document is not located in the file.

Therefore, the application is being forwarded to the United States Designated/Elected Office for further processing including mailing a Notification of Missing Requirements (Form PCT/DO/EO/905) for failing to provide a declaration in compliance with 37 CFR 1.497 and the required surcharge fee pursuant to 37 CFR 1.492(e).

It is noted that a postcard receipt which itemizes and properly identifies the papers which are being filed serves as *prima facie* evidence of receipt in the PTO of all the items listed thereon on the date stamped thereon pursuant to MPEP 503.
